COUNTY FAIR DATES SET FOR OCTOBER 4-7

At the called meeting of the official board of the Dickson County Live Stock Association, which met here Tuesday night, pursuant to the adjournment of the Association at Sulphur Springs Schoolhouse last Friday night, was called to order by the President, Geo. Eleazer, and the following members of the official board were present: Charles Elliott, T. W. Harris, W. J. Daniel, D. A. Neblett, S. E. Hunt and Josie Petty. Other members of the Association present were A. J. Byrn, D. E. Beasley, T. R. Edwards and R. A. Freeman.

It was decided that the permanent headquarters of the official board will be at Dickson, and that the regular stated meetings will be the first Monday night in July, October, January and April, and that called sessions will be held at any time that the president sees proper to call them.

It was also decided that any locality wishing to organize a local club, and so desired, the members of the official board would gladly come and assist them in organizing.

The next business taken up and discussed was in regard to the holding of a County Fair, and after considerable discussion, it was unanimously decided to hold a County Fair and Sale Days in Dickson on October 4, 5, 6 and 7. A committee was appointed to get up the premium list and have same published in catalogue form as soon as possible.

From the enthusiasm being manifested it looks now as though Dickson County will have another big fair this fall.

A copy will be sent free to anyone asking for it. Address letters to Extension Division, University of Tennessee, Knoxville. Or a copy of the publication may be secured from any County Agent in Home Economics.

Farewell Party for Mrs. L. C. Helberg

Last Monday afternoon, the Missionary Society of the Lutheran Church gave a prettily arranged farewell party for Mrs. Lew's Helberg, who leaves Thursday for a six months' stay in Ohio and Michigan.

The affair was given at the home of Mrs. Chas. Badge, Jr., President of the Society.

The decorations were in pink and white and glass baskets of roses and ferns ornamented the rooms.

This was the regular meeting day for the Society, and after this, the members were given an original contest to work out. Mrs. Mary D. McCreary won the prize trophy—a dainty handkerchief, and a box of powder and a powder puff went to the honoree.

In a booklet bound in pink and brown, the members wrote wishes for a pleasant trip.

A delicious afternoon menu was served. Only the members of the Society were present.

Stewart-Lockhart

Mr. Emmett Stewart and Miss Elizabeth Lockhart were united in marriage Wednesday evening at six o'clock at the home of the bride's parents, Mr. and Mrs. G. H. Lockhart, on North Main Street, Rev. T. J. Stricklin officiating.

The ceremony was witnessed by only a few of the bride and groom's near relatives and close friends.

After a short visit with the groom's relatives at Ashland City, they will return to White Bluff, where they will reside.

The Herald joins with their many friends in wishing them much success and happiness.

Had Narrow Escape.

J. E. Gibbs, who is in the stove business in Little Rock, Arkansas, together with his son, Lee, had a narrow escape from death during the tornado that visited that city one day last week. Lee came home the latter part of last week nursing a fractured arm which he received when the office building at their mill was blown down and carried some distance. Mr. Gibbs escaped by getting in the firebox of the boiler at the mill. The mill shed was blown down, and no doubt Mr. Gibbs would have been severely injured had he not taken refuge in the firebox.

Sam Berry, an escaped convict from the State Penitentiary, Nashville, was captured here Wednesday afternoon by Depot Policeman M. M. Buttrey, while stealing a ride on a freight train. He was convicted of grand larceny in "Dyer County" and was serving a term of from three to ten years. He was taken back to Nashville Wednesday night by Mr. Buttrey.

W. C. T. U. Women of County Hold Institute.

The W. C. T. U. women of Dickson County held an Institute at the Dickson College School building Thursday, June 8th, beginning at 10 a. m. and lasting until noon, and another session of about two hours in the afternoon.

Miss Hollister, a national organizer, was present, and did much to make the session interesting. Representatives were present from Bon Aqua and Tennessee City, the former sending four wide-awake representatives. These delegates were heard from immediately after the devotional exercises were held.

Readings from the Union Signal were given by Mesdames G. L. Pentecost and A. L. Boone. Miss Lois Tippit from Bon Aqua presided at the piano. Misses Glenn Hopkins and Ernestine Walker gave temperance readings. Addresses were made by Prof. T. M. Wilson, Dr. H. C. Guerin and Rev. N. S. Wilson. Prof. Wilson talked on "The Women of the Bible;" Rev. Jackson on "The Pastor and Organized Temperance Work;" and Dr. Guerin on "The Doctor and Alcohol." All three addresses were instructive and inspiring. Dr. Guerin spoke just before noon. The divisions of his subject were "Why I Do Not Use Alcohol Myself," and "Why I Do Not Prescribe It."

He said that in five years he had not touched alcoholic liquor himself, nor used a drop of it internally for a patient. Under Miss Hollister's leadership the county organization was gotten together again, with Mrs. A. L. Boone as President; Miss Lois Tippit, Secretary, and Mrs. G. L. Pentecost, Treasurer.

Bride-Elect Complimented

By Mrs. James S. Watson

Among the many prenuptial affairs that are being given for Miss Imogene Slayden, a bride of this week, was the attractively arranged miscellaneous shower of which Mrs. James S. Watson was hostess last Saturday afternoon.

Potted plants and a profusion of sweet peas formed the artistic decorations throughout the house.

Twenty-six guests were present. A contest was a feature greatly enjoyed, Miss Marion Fowles, of Waverly, winning the prize—a green pink de chine handkerchief. The honoree's prize was a pair of pink silk hose. Misses Kate McMurtry and Elizabeth Watson presented a large green and pink basket (the bridal colors) filled with gifts to Mrs. Joe B. Weems, who in turn presented it to the honoree, with a very amusing prophecy.

At the close of the afternoon entertainment, a delicious ice course was served, suggestive of the green and pink color motif. The individual cakes were iced with pink sweet peas.

Miss Aline Fentress rendered several beautiful piano selections. "O Promise Me" was softly played during the refreshment hour.

The honoree appeared in a turquoise blue crepe de chine, and wore a white crepe hat with pearl ornaments. Her corsage bouquet was pink and white sweet peas.

The favors were tiny baskets filled with sweet peas, tied with pink and green ribbon.

D. C. L. S. A. OFFICERS ELECTED FRIDAY NIGHT

The first annual meeting of the Dickson County Live Stock Association was held Friday night, June 9th, at Sulphur Springs Schoolhouse on Barton's Creek. Quite a number of new members were enrolled, and considerable enthusiasm was shown in the work.

The constitution and by-laws were read and adopted, and the following were elected as members of the official board: George Eleazer, President; E. H. Stone, Vice-president; Chas. Elliott, Secretary and Treasurer; T. W. Harris, S. E. Hunt, W. J. Daniel, D. A. Neblett and Josie Petty, Board of Directors.

Mr. L. P. Bellah, Industrial Agent for the N. C. and St. L. Ry., was present and made an interesting talk along the line of Association work. The N. C. and St. L. Ry. is taking considerable interest in this work, and deserves great praise for what they are doing for the farmers along their line of road.

A committee from Dickson was present in the interest of the County Fair. Several talks were made on this subject, and the general sentiment seemed in favor of a greater and bigger fair than ever.

Arrangements were made for the Official Board of the Association to meet with the citizens of Dickson Tuesday night to discuss the Fair proposition. The meeting then adjourned to meet again in two weeks. CHAS. ELLIOTT, Secy.

Store Burglarized.

Burglars entered the store of the Burns Mercantile Company store Thursday night of last week and blew open the safe, securing between \$40 and \$50 in money, and some checks. J. C. Tidwell also lost about \$800 in notes, which were in the safe for safe-keeping. Bloodhounds were telephoned for from Nashville and put on the trail, which led east of Burns, but nothing definite was disclosed.

It is thought that the work was done by amateurs, as every indication pointed that way.

The store is located within a short distance of several residences, but the explosion did not arouse any of the citizens.
